GIANTS CONQUER REDS IN THRILLER

60,000 Fans See Larry Doyle Bring In Winning Run in the Eleventh.

Brooklyn's Able Pitchers, Whose Efforts Have Practically Clinched Pennant

MAMAUX, MILJUS, MITCHELL, SMITH, MARQUARD, MOHART, GRIMES AND CADORE.

The assertion was made at the beginning of the National League pennant race that the pitching staff of the Dodgers would play an important part in the contest for the pennant. This prediction has come true, and the position the Flatbush team now holds is due in large measure to the mastery work of the hurling staff of the team.

WILBERT ROBINSON, MANAGER OF BROOKLYN DODGERS

BURLEIGH GRIMES has been the main reliance of the team that will play in the next world's series. This rugged youngster has pitched day in and day out with the same earnestness and vigor, whether the team won or lost, and he is entitled to a world of credit.

But the fielders and hitters have done their part, and the manner in which Olson, Kilduff and Johnston have improved in their play was an eye opener. Wilbert Robinson has handled the coming champions with great ability and discretion.

INDIANS SHUT OUT RED SOX BY 2 TO 0

Bagby Allows Four Hits and Registers 29th Victory.

CLEVELAND, Sept. 18 (American).—Cleveland defeated Boston in the first game of the series here today, 2 to 0, in a pitchers' battle between Herb Pennock and Jim Bagby. It was Bagby's twenty-ninth victory of the season.

Bagby held Boston to four hits, two of which were made by Hooper, the first man up in the first and third innings. Pennock duplicated the hit scoring.

VICTORS EMPLOY STRATEGY IN SCORING THE DECIDING RUN.

Leading Hitters in Major Leagues

By CHARLES F. MATHISON. The Dodgers resumed championship play yesterday at Ebbets Field and scored out the Pirates by 4 to 1 in a game which had a spectacular finish.

Neis carried out his assignment and made a wild run for third, and Walter Schmidt, the alert backstop of the Pirates, hurled the ball to third. He had plenty of time in which to get Neis, but Mr. McKeehan either failed to see it or was wide. McKeehan was compelled to reach for it to get his hand on the ball, and he could not hold it, the leather shooting thirty feet away on foul ground.

Before it could be retrieved Neis was patting over the home plate with his winning run. It was a great piece of luck for the Dodgers, but the victory will count in the pennant race the same as a 10 to 9 upset.

Up to the ninth inning the contest was one of the closest and most interesting played at Ebbets Field. It started off like a heavy batting affair, both Cooper and Pfeffer being pounded hard in the opening innings. But both of these sterling performers settled down in the second frame and pitched with mastery skill and effectiveness.

Both teams batted hard, but Jersey City bats were timely. Manager Donovan of Syracuse pitched part of the final contest.

YANKEES ARE WEAK BEFORE DIXIE DAVIS

St. Louis Star Twirler Again Mystifies New Yorkers and Browns Win 6 to 1.

Special to THE SUN and NEW YORK HERALD. ST. LOUIS, Sept. 19.—Dixie Frank Davis, the gifted young star of the St. Louis hurling establishment, let the Yankees down with two hits this afternoon while recording his fifth consecutive triumph over the Ruppert-Houston forces. The score was 6 to 1, the Yankees' only run being scored in the seventh inning, in which Wally Pipp drew a pass, moved up a base on Ruth's field and completed the circuit on Derrill Pratt's single to center.

Davis has been a mystery to the Yankees in every game he has pitched against them this season, and was more effective in every game. Only two Yankee batters reached first base in the first six innings, Ruth drawing a pass after two were out in the fourth and Collins going to second on the ground.

But the fielders and hitters have done their part, and the manner in which Olson, Kilduff and Johnston have improved in their play was an eye opener. Wilbert Robinson has handled the coming champions with great ability and discretion.

ENGLISH SOCCERS TIE WITH SCOTCH

Rival International Teams Score Twice Each, Playing Extra Periods.

Soccer teams representing England and Scotland in the annual International competition of the New York Football Protective Association opened the season before a large crowd at Todd Field in Brooklyn yesterday and played a 2 to 2 tie game, notwithstanding that extra periods of 15 minutes each were ordered by the referee. The game, therefore, was replayed.

A breakaway from the centre by Duxworth of the Erie A. placed England in the lead in the second half. Scotland tied the score in the extra period.

But the fielders and hitters have done their part, and the manner in which Olson, Kilduff and Johnston have improved in their play was an eye opener. Wilbert Robinson has handled the coming champions with great ability and discretion.
